KIRKPATRICK MEMORIAL COMMUNITY CHURCH

The Church Mouse

Note from Pastor Conway

Well, fall is here, there's a snap in the air, the shadows are longer and the harvest is in. While I hate to see the summer fade as Marta and I go about the task of draining our above ground little pool in the backyard I am excited for the change of season. I feel quieted and a sense of peace in the red and gold of the leaves and the snap and smell of piñon logs in our fireplace. All is not quiet however as KMCC gets ready for Advent and the coming Christmas Season.

We will be starting a mid-week gathering on Wednesday evenings at the church starting in late November. We will share a meal together and have a Bible or book study afterwards. Sometimes there will be a contemplative service in the sanctuary. We are also making a fun sacred space for our children in the old Children's Loft. The new space will be updated with fun colorful carpet. There will be a new big screen TV and sound system for the kids with weekly lessons and more. The room will be painted like a tree house and will be called God's Treehouse and we will have a grand opening for everyone to see and get excited about. There's more in the air at KMCC than just a cold breeze and wood fire smoke so stay tuned, read your email and the newsletters and join us in the sanctuary on Sundays for more news. May God bless us all with patience wisdom and peace in our troubled world. We pray for peace in Ukraine and in Israel and the Middle East and also in our own country and community. Charlie

Note from Session

Session members are resting on the 'laurels' of the downstairs remodel of the ladies restroom and now looking to continue our beautiful flooring into the Koinonia Room. We are not without projects. Our sign has taken it's last breath. Gary Rohwer has been working on the replacement which has been a real frustration due to the dimensions. While we have been busy making our surface look good, we are in the midst of taking care of cracks in the foundation of both buildings. On a brighter note, the annual Stewardship dinner, which was held on October 20, was a huge success with a great meal prepared by Brad Watson and Marta Conway. For those unable to attend, your pledge card is waiting in the back of the church. Also, All Saints Day will be November 5th. The book for signing in your loved one who has passed during this year is in the back of the church.

The devil whispered in my ear, "You're not strong enough to withstand the storm." I whispered back, "At least I didn't lose my fiddle to some hillbilly in Georgia."
